## These maps help fill the gaps on the Dakota Access Pipeline

Meet the researcher mapping the threats to water security.

### A roundup of the high-stakes climate races

- For the climate-interested voter, these are the Western races to watch on Tuesday.

### Where will the West's next national monument be?

- Bears Ears isn't the only local effort to get Obama to designate protections before he leaves office.

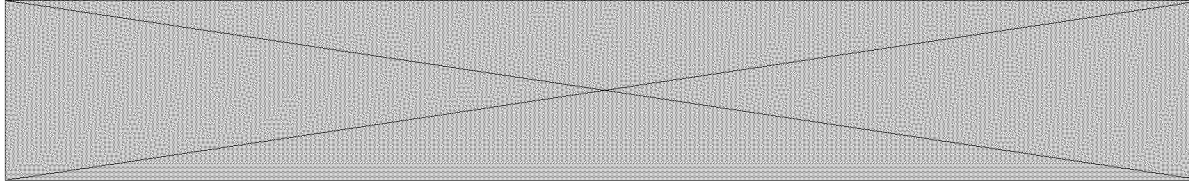

### Whose homeland?

- In the tribal bid for Bears Ears, deep questions and deep divisions arise.
